About Long-Term Care Coverage

Do you have a plan in place to manage these uncertain times and prepare for the future you want? Does the plan you had need to be updated?

Friends Life Care has been helping older adults coordinate all this and more for over three decades. We're offering you a free consultation to discuss your goals and answer questions about your retirement years.

Get started today. Call 215.628.8964, [click here](#), or read more about it on the Friends Life Care [eMeetinghouse blog](#).

Time is of the Essence

Act Now and Save!

Most older adults want to live in the comfort of their own homes as they age. Do you? If so, Friends Life Care can help. Membership includes wellness and care coordination, financial protection, home accessibility, and more.

It's never too early to plan for your aging needs. Apply for a Friends Life Care membership today to lock in 2023 pricing before rates can increase next year.

Patina Health: Reinventing Primary Care for Older Adults

There is the primary care older adults should receive, and then there is the care they may actually receive in the current healthcare system.

In this episode, Dr. Neil Patel, Chief Health Officer at Patina, discusses the disparities often experienced between the two and how Patina delivers high-quality care to older adults in new, innovative, and technology-enabled ways.
